Chiefs  
Dolphins  
Packers  
Redskins  
Texans  
Titans

### **VIPOL™ Matrix Material KEEPS GRASS IN TOP SHAPE.**

**Cleats cannot penetrate, but rain, sports drinks, etc. drain thru, not absorbed like mats that TRIPLE IN WEIGHT and develop odors in storage.**

Our exclusive matrix fabric lets air and sunlight get thru to turf, so it does not "smother" and compact grass like other tarps. *Lighter in weight, much easier to handle.* Low profile edges are reinforced and double lock-stitched. Grommets every 18" all around. Standard Color is Light Grey, but 12 other colors are available: Black, Midnight Green, Medium Green, Navy, Royal, Orange, Burnt Orange, Purple, Beige, Maroon, Red, White. Standard Sizes: 15' deep x lengths 75', 100', 125' or 150'. Custom sizes and shapes available. **SIMPLY HOSE OFF TO CLEAN. QUICK SHIPMENT.**

### **IMPRINTING**

Aer-Flo's skilled craftsmen use a special surface-bonding paint and computer generated stenciling to produce vivid, custom imprinting that can match your team's PMS multi-colors. Resulting images are much more abrasion resistant and color durable than digital printing. Sharp GET-BACK LINES are our most popular accessory.

**Used since 2005 by NFL & NCAA teams**

# TRACK PROTECTORS

**Tough geotextile fabric resists and cushions against cleats, but rain drains thru.**

Vinyl edging with steel chain inserted all around keeps units in place, virtually wind-proof, without stakes. Bench Zone units are designed for tracks that fit tightly around football fields. Cross-Over Zone units allow teams, people, and vehicles to cross without damaging modern track surfaces. EASY TO INSTALL & REMOVE. Edgings in Gold, White, or Custom Color. Multi-color imprinting can be overlaid. **QUICK SHIPMENT**

Standard Sizes: *Bench Zone*: 15' deep x 75', 100', 125', or 150'. *Cross-Over Zone*: 7.5' or 15' wide x 30', 40', or 50' length  
CUSTOM SIZES AND SHAPES AVAILABLE.

**PROTECTING TRACKS AT HUNDREDS OF HIGH SCHOOLS AND COLLEGES.**

## Landing Zone<sup>™</sup> PIT COVERS

Steel chain in edge hem all around keeps these covers in place, even in high winds. Custom sized to fit your pit. Landing Zone covers are available in two fabrics:

- Vipol<sup>™</sup> Matrix Material: Virtually tear-proof mesh **KEEPS CHILDREN & ANIMALS OUT**, but allows rain to drain thru and pit to dry out. Eliminates pooling. Standard color is Light Grey.
- Solid Vinyl-Polyester: Keeps rain, animals, etc. out. Standard color is Forest Green.

**CUSTOM COLORS AVAILABLE FOR BOTH FABRICS.**

## Huddle Zone<sup>™</sup> SPECIAL TEAMS MAT

### FEWER PENALTIES & LOST TIMEOUTS

Cleat-proof VIPOL<sup>™</sup> Matrix Material with steel chain in vinyl-wrapped edging. Just lay this wind-proof mat on turf or over bench tarp. 3" wide screened-on gold stripes on light grey fabric clearly marks a 3' square for each special team player, plus wide front section for captain and coach. Size: 9' x 15' Wt.: 46 lbs.

**EASILY FOLDS FOR TRAVEL TO AWAY GAMES.**
