

BERKELEY Preparatory School

August 16, 2005

To Whom It May Concern:

This serves as a letter of recommendation for American Athletic Courts, Inc (AAC). AAC installed a new state of the art track surface at Berkeley Preparatory School in December and January, 2004 and 2005. We have been very pleased with the work and even more pleased with the service.

Our consultant for the job was Bob Narozanick. Bob was very informative in the initial process, extremely involved in the actual project, and has since been here several times to check in to make sure we are pleased. He has been very receptive to any needs we have had.

My opinion is that you can't go wrong with AAC for track installation. We would definitely use them again.

Sincerely,
