Dear Mr. Narozanick,

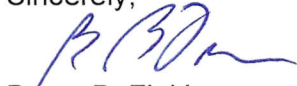

On behalf of the Gateway Regional High School District Board of Education, this letter is to thank you for the high quality of work performed by American Athletic Courts, Inc. in connection with the construction of our tennis courts.

Although temporarily stymied by soft soil and poor weather conditions, the courts are ready for the girl's tennis season and we're very pleased. The facilities look terrific and our students are already utilizing them.

We would be remiss if we didn't compliment your crew, led by Gary Palmer. It is very clear that Mr. Palmer takes great pride in his work. He has also followed up to be sure that punch list items are or will be completed to our satisfaction.

Thank you again for constructing such a beautiful facility and we look forward to working with you on future projects.

Sincerely,

Bruce B. Finkle
